

Edenark Group ISO 14001 Sustainability Certification

Certification date: February 8, 2022

Valid: February 8, 2022 – February 7, 2023

Joydeep Gill was commissioned to provide independent third party certification of compliance of the below client to the Edenark Group ISO 14001 Environmental Management Program. This Certification is awarded to companies that adhere to the Edenark Group ISO 14001 Program requirements for best practices in environmental management.

I, Joydeep Gill, ISO 14001:2015 Lead Auditor, certificate # 3555529-238703, hereby certify that the business practices of

Universal Engineering Sciences

with principal offices at 4205 Vineland Road, Suite 1, Orlando, FL 32811, has been assessed and meets the requirements of the Edenark Group ISO 14001 Environmental Management Systems Program, including Business Context, Leadership, Planning, Support, Operation, Performance Evaluation and Improvement. Based on the process and procedures, templates and records shared, nothing has come to my attention that causes me to believe that the environmental procedures, templates and records are not in accordance with the requirements of the Edenark Group ISO 14001 Environmental Management Program and the above organization is therefore allowed to display and promote the above logo for the Valid period above.

This certification opinion is based on the issue date herein. Any projection of such information to the future is subject to the risk that, because of change, the policies and procedures may no longer portray the conditions in existence at the time of the certification review.
